“ I met (well, on the phone) Raymond first a few years ago as a vendor to him and his company. Over the years I considered Raymond a good friend and was one of the few customers/friends that I truly looked forward to talking to. He was always so patient and calm and sure did brighten my day on several occasions. I'm sure he did the same to so many people and he will be truly missed. My condolences to the family.

“ Raymond Lucas is the only person to have ever lived that I respected equally to my own father. And anyone that knows of that relationship knows how much respect that is. You will be tremendously missed my friend.
