“ *Oh my Grandpa, I miss you so much. Wether you realized it or not, you had a huge impact on mine and Jaden's lives. As I go through your things my heart breaks to know you won't where this and you won't wear that anymore. Seeing all the pictures you took and all that you accomplished in life makes me miss you that much more. I miss you but I know that you are no longer suffering and no longer in pain. I hope you are enjoying fishing in paradise. I love you Grandpa!! Rest in Paradise!!!*
