“ *I am so sorry to learn of Rhonda's passing, she and I were classmates at Sooner. Like Rhonda, I stayed in Bartlesville after graduation and worked. I always looked forward to seeing her at Homeland and catching up on some of our mutual friends, and talking about our kids when they came. I would joke with her about spending half my check at Homeland. She would laugh, she was in the same boat.*

Will miss her big smile and that laugh....

Her family will be in our prayers,

“ We loved Rhonda. I have the best memories with her but the one I will probably never forget is the day her Rachel meet me at Homeland on Madison to pick up some chicken tamales. She opened that bag and her Rachel went to town on that bag. She loved pumpkin rolls as well. I never cooked anything Rhonda didn't like. I will definitely miss her. No more pain for u. I pray for healing and comfort for the family as they lay her to rest.
