“ So sorry to hear about Dru, like Tom I will always remember growing up in Oak Park all the good tiimes we all had, we were all instoppable. I read this and started telling my son about Dru, it brought tears to my eyes. Although we have all scattered through the years those early years together help make us and Dru who we are today. Dru was a great friend and we could go years without seeing each other and when we saw each other it was if no time had passed he was w wonderful, friend and man. Thinking of you Doug, I will always love all of my Oak Park friends your in my prayers

“ I haven't seen Drue in a few years, but have thought of him and the old group of friends I grew up with on several occasions. My deepest sorrow goes out to the Scott family. I seems like yesterday we all ran around Oak Park messing around doing stupid stuff together. Hanging out at the rope swing, or just at the park. RIP Drue

“ I hadn't seen Drue in a while but I have very fond memories of several group backpack trips and overnight canoe camping trips with friends. He was always very entertaining and much fun to be around. I was very saddened to hear of his passing. He was way too young for sure.
