“ *There was one time when Rick and I went to eat at IHOP for dinner one night and His eyes welded up with tears and he told me that he really wanted to be close with the grandkids, but he just didn't know how to do it. I gave him a few suggestions and I could see him trying sometimes, but he just really was such a private person and I think in a way he had a special Kind of relationship with them, and I know FOR FACT that HE CARED ABOUT THEM VERY DEEPLY! I hope they'll always have a fond memory of him in their memories*
