“ I lived two doors down from the Hooblers in the late 50's and early 60's and the thing I will always remember is he could really whistle a tune.

“ *What wonderful memories I have of vacations spent with Uncle Bob and family when we were all much younger! During the hot, Alabama summers, Uncle Bob always made sure we had a wading pool filled so we could splash around and cool off. We traveled to Bartlesville for many Thanksgivings, when Aunt Peg, Uncle Bob, Beth and Barb always made sure we had a great time. How did they put up with six Pales people invading their home???!!! Uncle Bob was always welcoming, loving, and very supportive of all of us. May he be having a great time in heaven with Aunt Peg, my mom and dad, and all of his family members and friends that must have been at the pearly gates to meet him.*

*Love, Kathleen Pales*
