“ I met Bob when he and Judy first started dating and he was always the brunt of some of her many pranks. Bob would just shake his head and laugh. He truly was a wonderful man and I am so happy they had each other all these years. He will be missed by all who knew and loved him. Fly high with the angels Bob!

“ He always enjoyed helping Rory and Ayden on pinewood derby cars for scouts. Sometimes he liked to over engineer them also.

“ Bob and Judy were two of our favorite visitors at the lake. This photo expressed Bob’s enjoyment of the boat rides. He was a special part of our family for many years and will be missed by many.

“ Loved this pictures of Bob. He was happy and healthy and enjoying himself. There were a few days we fished early and he watched OU football that evening. He remarked, it was amazing.

These are the types of pictures and memories I cherish and hope all who knew him do.
