“ I grew up with Bob and Betty as a part of our extended family. He was a life-long friend of my father, Don Ross; he spoke at Dad's funeral. Bob treated me like another daughter whenever we were together. I appreciated his love and advice over the years, and the friendship he extended to my mom after their respective spouses passed on. He was a gentleman always, and proud of his family. I will miss him always. My sympathy to all the Bouton family.

“ I had the pleasure of caring for Bob for a couple of years while he was a resident here at the Bartlesville Health & Rehab Community. He was a very caring & loving man. His family surrounded him with love and attention which he cherished. During this time I felt like a daughter to him and will always have wonderful memories of him. I will miss you "Dad".
