“ *Dad, I am so thankful we got to spend so much time together. You were always there when I needed you, always enjoyed our talks every Sunday I just don't know what I'm going to do without you. (Maybe take that computer class). Hahaha. When we meet again we will continue where we left off. I love you. And you will never leave my heart. Hugs and kisses.*

“ *Dad, wow, you are already missed. It's my own fault we didn't spend more time together you and I. I thank you for making, teaching, loving and nurturing the most incredible kids. I honor you.*
