“ *When I started my career as a probation officer in 1998, Robert Glisson was a seasoned officer that always lent sound advice. He always described himself as "an ol' Gringo from New Mexico". He was always friendly, active and generous. He will be missed. Bill Alexander*

“ *Bobby was my 2nd oldest cousin! I remember him from when I was about 2-3 years old. I always thought he was tall! When our families celebrated holidays all together the grandkids always had so much fun--there was usually 8-12 of us all there out of the 16. We had a large family and I remember it being fun and filled with love because of cousins like Bob. May the family find comfort and peace in knowing that Bob is loved by so many family members and friends and that he is now with his dear wife. Blessings to them during this most difficult time.*

“ *I had the privilege of working with Robert for many years at the Department of Corrections, Probation/Parole division. He was such a good man and truly dedicated to working with DOC probationers and parolees. I could always depend on Robert whenever I needed his help. He was truly a good Christian man. My sincere condolences to his family at this time. God bless you all*
