“ *You were always one of my absolute favorite Uncles! We were always welcome and felt cared for when we visited. I'll never forget your laugh and the card games at your house. How you and Aunt Gene would let me play your record player when I was young while the adults played cards. You tolerated listening to me sing along with Cher and never complained. I will miss you dearly and I know you're in the best of company in heaven with all your friends and loved ones. I will meet you there one day as well.
I Love You & will miss you all my days.
