“ *I will always remember how excited the "boys" were to see each other every year at the Knoxville National Sprint car races! After every race they would hang out in the parking lot at the Holiday Inn Express to recap the races. It was the same way with the OU games, Bob would call my husband, also named Bob, and they would do a pre-game and post-game recap during the entire season. Rest in peace my friend, you will be missed.*
