“ Bob was a very good man. He had a heart of gold and a huge sense of humor. I had the privelage to work with Bob for many years. I can still hear him hollering up the sctockroom aisle, "Katie Sue". I would reply, "Bobert". He was always talking about his family, they were the love of his life. He will truly be missed.

“ I grew up with Bob and his siblings. Always thought of them as my first cousins, even though they were second cousins. Embarrassed to say I haven't seen them for several decades. Still, with Bob so young, this is a real shock to me. Always thought I would have time to connect "down the road".

My sympathies and prayers go out to his wife and children and his siblings. God bless Bob!!

“ Dear Judy,
So sorry to hear about Bob. You and Bob were so good to us when we got married and started having kids. And, you continued to all the years we worked together. Ceasar has always talked how funny Bob was and fun to work with.
Our prayers are with you.
Remember when Brad stuck up for Tiffany at school? Those kids were so rowdy! Thinking of you and your family.

“ I've known the King family almost all of my life (38 years). Bob was one of the nicest people around. He was good to our family. Always there when we needed something. It's still unbelievable that Bob is no longer around. Thoughts and Prayers to Judy, Brad, Steve & Jim and the Grandkids and extended family.
