“ *Many thanks for the kind messages from Tootie, Robin, Mike, and myself. If Bob were here he would say the lesson learned in all of this is to remember that life is but a vapor, it can be gone like the morning mist. OK, maybe he wouldn't be so poetic but he would be funny. Bob left a hole in our hearts, BUT he wouldn't want mourning. He would want joy and laughter; for us to get on with life.*

“ Papaw I miss you and I love you soo much. You were the best. I was your lil buddy always by your side. There are so many memories I have. From teaching me to drive a tractor, working on tractor, and everything from farming to the cattle. I could always come to you when someone told me know you would always say yes. Seeing you in the stands at basketball games to seeing you in the recliner peeling a orange. You will always be my Papaw. I love you
