Robert "Robb" Paul Fouts, aged 53, died in his home on Sunday, September 23, 2018, after a brief but hard-fought battle with esophageal cancer.

Robb was born in Bartlesville, OK on May 31, 1965, to Leland and Linda Fouts. Robb grew up racing BMX bikes with friends all over town, and he had a passion for his special edition 1976 gold Trans Am. From adolescence through adulthood, he also dabbled as a self-taught bass guitarist.

Robb began his life of service in 1994 as a Reserve officer with the Bartlesville Police Department, during which time he also worked as an Animal Control officer. In 1997, Robb was hired on full-time at BPD, where he continued to work for 21 years. During that time, he spent 2 years as a Patrol officer, 3 as a Field Training officer, 6 as a Sergeant, and the final 10 as Lieutenant of the night shift. Additionally, in 1999 and 2002, he received the Buckle Down Top Cop award as well as Police Officer of the Year in 2000. His influence and impact is far-reaching, and his legacy will be kept alive through the retelling of stories that catalogue his service, bravery, generosity, and steadfast leadership and friendship.

Robb is survived by his maternal grandmother, Ruby Medley of Coffeyville, KS, his parents, Leland and Linda Fouts of Coffeyville, KS, his mothers-in-law, Marcella Lindholm of Bartlesville, OK and Pat Lindholm of Scammon, KS, his

sister, Stacy Taylor of Coffeyville, KS, his sister-in-law, Wendy Phillips, his wife, Holly Fouts, his biological daughters, Shianne, Sierra and Savannah Fouts, and his step-daughters, Megan and Taylor Crawley, whom he took on as his own.

Robb was preceded in death by his paternal grandparents, John and Lillie Fouts of Coffeyville, KS, his maternal grandfather, Martin Beeson of Coffeyville, KS, and his father-in-law, Pete Lindholm of Scammon, KS.

Robb was known professionally and personally as being humble, honest, steady and fair in his leadership, generous, goofy, and young at heart with diverse musical tastes. He will be missed dearly by all who knew him.

“ So many great memories to share...

“Robbie” and his folks were all dear friends of my family’s. We met at church; and spent a lot of time hanging out while our parents played cards!

I remember riding bikes and sleepovers ... He had an ID bracelet and “skunk” tennis shoes way before I did and I remember thinking how cool he was !

When he was in a motorcycle wreck (around jr high maybe) my sister and I would go up to the hospital to sit and visit with him. Even through all that he stayed positive... always had a big smile when we came in.

A favorite memory was cruising town with Robbie in his Trans Am with the tops off, windows rolled down; listening to Billy Squire blasting through the speakers!

I spoke to a another high school friend this week who told me a fun story - he and Robb didn’t really know each other well, but had a mutual interest in cool cars. So one afternoon they decided to “trade cars” for a few hours... Robb’s Trans Am for Doug’s Corvette! I can imagine that whole scene thru my minds eye - Robb and his Big 80s rock band hair, flyin down the road with a huge smile on his face!

Although it has been too long since the last time I saw him, I look forward to seeing him again in Heaven! I’m sure we will reminisce about all these treasured memories. :)

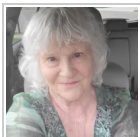

*Sending much Love to Leland, Linda and Stacy

I've never met your dad, but I'm sure the things he's instilled in you are the things we love most about you here at Mesa. I will always be here for you , especially through a time like this. All Gods peace and comfort to you and your family during this time. My prayers are with you and take comfort knowing that you have someone in heaven being your guardian angel. “ Our thoughts and prayers have been with you all since the news of Rob's illness and subsequent passing. So many memories of parades, flyins, football games and other Reserve activities and then working with him when he went full time. It was an honor to work with him but more so to know him. He always had a smile for you. My God bless you and keep you as you face the future without him. We shall see him again one day.

“ I've known Robb for 20 years and he was a stand up cop and human being that i ever had the pleasure to meet. When my own mother died of cancer, Robb volunteered to be a police funeral escort for my mom's service. He talked me into doing a ride-along with him at work and i became hooked. We also worked together doing security for Phillips from 98-2000. I enjoyed talking with him as we were kind of kindred spirits. I will miss him terribly. We will see you again some day buddy.

“ I remember Robb as a young officer on the department. He always had a positive attitude about helping people. It was a pleasure to watch him mature into the leader that he became, His family can be proud of the job he did and the many friends he developed.
