“ *I am so sorry to hear of Bob's passing. Mother will be calling Betty soon if she hasn't already. Her eyesight is bad so she needs someone there to dial the phone for her.*

Sorry we will not be able to make it to the service. The ride is a little long for Mother, we had planned to come if the time was good with other plans but we have a program at school we need to go to that morning and Cassville is to far to make both on the same day.

We are keeping you Carol and Betty in our prayers. God bless you both.

“ My heart goes out to your family "Flipper". You were a very good man. I haven't seen you in years but I remember how you were always honest and there for a good conversation. I know that Dalton thought alot of you and respected your opinion. Your family is in my prayers and thoughts. Memories and knowing that you are now with the Lord is comforting. Love Danelle
