“ We have fond memories of “Stump” from his days of police enforcement. Growing up the Williamson’s and my parents were always getting together for cards or other social activities. My father was on the force with him and that’s how they met and became great friends. He had an ornery streak and a great sense of humor. We will miss him.

Many good memories of Bobby. A good buddy in our teen years. Sad that he is gone, but of course, not forgotten.
