“ When I was about 12 or 13 Bob and Jim were always going hunting and shooting. They had a reload station set up in one of the bedrooms. When I would go over on weekends Bob would pay me a penny a shotgun shell for reloading them. I learned to put the little primer thing in first at the bottom and then you put the shot in. Then you crimped down the top and put it in the box. I thought I was really making the money when I would go and get maybe \$10 or \$15 on the weekend. I got pretty fast at it too. Now I realize I was making about 1500 shells! They also gave me a nickname when I was little. Don't know where it came from but they both always called me "Greazer"! Lots of good memories! Another thing that is very strong in my mind is my first car. It came from Bob. It was a '71 Challenger and let me tell you what, it would run like you wouldn't believe! It was a great car and I drove it till it ran out! Used to race a guy with a GTO alot! My Dad bought it from Bob for me and I know Bob gave him a great deal. Used to pick up all my girlfriends before school and it was great! Loved that car! Bob shared his mom with me and let me be a part of his family and I will always be grateful for that! See you soon Bob! RIP! Jonna
