Funeral services will be held at 2:00 PM on Wednesday in the Bartlesville Southern Baptist Church. Interment will be in the White Rose Cemetery under the direction of the Stumpff Funeral Home & Crematory.

Robert Wayne York was born on July 27, 1950 at Kirksville, Missouri the son of Otis Ewell and Helen Jean (Derigo) York. He was raised in Lancaster, Missouri and graduated from High School there in 1968. He moved to Oklahoma in 1982 and married Tawnya Raceine Hobbs on August 30, 1986. He began careers at ConocoPhillips as a security guard. He made a move of occupations to Bartlesville Redi-Mix as a truck driver. He then made a final career change to Perma Fix as a truck driver that later became A Clean Environment (ACE). He began as a hazard material truck driver and advanced to a Logistics Manager. In 1983 he met who was to become his beloved wife

of 25 years. They settled and made a home in Bartlesville. Within their years they had three adored children and son in law who was like another son. He enjoyed hunting and fishing although it became more challenging these last years. Garage sales and auctions would always lure him in if there was a deal to find or be made. Within the last year he began collecting and preparing for his newest hobby in welding. He was a hard working man who never missed a day or call. He had a dry sense of humor and never missed an opportunity to give anyone a hard time. He was a loving and caring man in his own gruff way. He is much loved and will be missed by many.

“ *Bobby lived with his family across the street from my family. He was a great little guy. I particularly remember how much he enjoyed Fourth of July. He would shoot Black Cat firecrackers from sunrise to well after sundown on July 4. Also, whenever my brothers and I played softball in our south lawn, Bobby was always eager to join the game. I extend sympathy to his wife and children.*

*I just saw this note. I am Bob's wife and internet illiterate. Thank you for this piece of Bob's past. He still loved the Fourth of July. He still shot off firecrackers and fireworks.*

“ I'm so sorry to hear of Bob's passing. We grew up in the same neighborhood in Lancaster & all played outside all day. I have pictures of the friends at birthday parties & playing. My prayers are with the family.
