“ I am so sorry for the great loss of Rod and my heart just aches knowing he left us way to early, but one day soon we shall see him again! He will be greatly missed by all! Rodney was a good friend to me and I enjoyed the texts, e-mails, phone calls & watching movies together. Rod had a heart of gold with much compassion for all, he was so funny, kind and his smile was priceless. And his family and his friends meant the world to him. Prayers of comfort and peace for those who loved Rod! Rod will be greatly missed, but never forgotten!

“ I have fond memories of Rodney. He lived across the street from me when I was in elementary school. We were good friends. He used to come to my house play in the yard and beat me at tether ball. I thought he should let me win at least once in a while, but he never gave me any mercy. Although we lost touch when my family moved away, I still remember the fun times we had as children. Marjorie was like a second mother to me, Pam & Lloyd. She would watch over us when she knew we were home alone. I really am sorry to hear that Rodney has passed away. Even though I can't be there today to say good bye, my thoughts and prayers are with the family.
