“ *Missing in Ron's obituary is the fact that Ron has twin sisters Dorothy Howarth Partain (Danny) of Lawrenceville, GA and Donna Howarth Epps (Ray) of Milledgeville, GA. Words can not express the loss of our dear brother and how much we will miss him. We had a long visit with Ron at the end of October in Bartlesville and talked of all the good times we had with our parents and our oldest brother Ralph as a family. We looked up to Ron and certainly in our eyes he was one of a kind. We know you are in heaven with Debbie, mom, dad, Ralph, Grandma Conn, and so many more loved ones we've lost during our lifetime. Rest our sweet brother, we love you with all our heart and we could have not asked for a better brother than you.*

“ Ron and I worked together for many years. He was the best at what he did. He was a good man who loved his family above all. The world would be better if it were filled with people like Ron Howarth. You will be missed old friend.

“ Ron came to my college in Cape Girardeau, Missouri in 1982 and interviewed me for a job here in Bartlesville. What a wonderful representative he was for the company - professional, kind and honest. When I came to work for Phillips, I also discovered how humble he was about his abilities. What an exceptional human being he was. My prayers will be with his family in hopes they will cherish how fortunate they were to have someone like Ron in their life.

*Sincerely,
Jane*

“ To the family of Ron:

I had the pleasure of working with Ron at ConocoPhillips. In fact, he trained me on a job for a project he was working on. Ron was such a great man and I so respected him! He was so patient and kind while training me and the times that I worked with Ron he always had such a great positive attitude! He always made my day no matter how bad it was going! My thoughts and prayers are with the family at this time. Ron's life a difference in this world.

“ Ron was such a nice man. I enjoyed talking with him and at work, he was always asking about others never complaining about anything he was facing. We talked many times about being strong through the struggles of cancer and he was always so positive and open. He always had a bright smile on his face.... I will miss him, although I have peace knowing he will be with his wife who he loved very much. May thoughts and prayers be with his family and give them peace.

“ Ron was my cousin and our families grew up together. He worked with my Mother Helen Orn at Phillips Petroleum in Chicago for a while. When he moved to Oklahoma we didn't keep in touch as much. But in recent weeks we did and talked about family and things we did when we were younger. I had plans last year to see him but got sick myself. I will miss Ron and I know he was a good family man and person. Bob Orn

“ My uncle Ron was the epitome of family to me growing up and seeing my cousins there in Oklahoma. Like my dad, he was reserved of few words. Sad to see him go from all of us.

“ Ron was truly one of the nicest people to work with. He was always concerned about others in a kind and gentle way. I enjoyed visiting with him about life experiences and always came away feeling so much better and grateful for what he would have to say.

“ Ron was one of a kind. I enjoyed our time working together and was always happy to see him. He always had a smile on his face when I saw him and was quick to start up a conversation with you to see how things were going. We had several laughs together. I will miss Ron but he will always have my respect and admiration for the man he was. Heart felt sympathies to Ron's family.

“ Ron was a good friend and a really great man. I worked with Ron and for all he has been through, he was not one to complain. He was always asking how I was instead. My deepest sympathies to Shelby, Brian and the rest of his family.
