“ I met Ronnie when he worked for B&C Auto parts. When I would go there to get parts he always had something funny to say and that is why I liked him. R.I.P brother.

“ My mom Loree worked with ron at Long's Motor equipment. He always would talk racing with me. matter of fact, it was him and Mike Maddox that took me to one of my first drag races. I'm shocked at his passing, but will smile when i think of him. To all the family, you have my deepest sympathy.
