“ *After more than 40 years as best friends /sisters by choice there are so many memories. We shared holidays with each other's families we went on many adventures together; and if you knew us adventure was code for we got lost! In the picture here we had spent the day with some special friends at the Pioneer Woman mercantile and lodge. She always tried to make everyone happy even if she was not feeling good. She was an awesome nurse and an amazing friend. I am happy for her because she is with Jesus and she is no longer sick or in pain but I sure do miss her.*

I've known Rose all my life, so she was Aunt Rose to me. So many memories. I just can't put the words together right now. I have a feeling she knows what I want to say. I'm happy she's not in pain any more. I'm sad I didn't get to say goodbye and I'm so sorry that it's been so long since I've hugged her neck. She's never been the type that would have held it against me. Please give Booger Red a hug for me, Aunt Rose. I love you, so much.
