“ I wish to send my deep sympathies to the family of Roy. Roy was a great guy to work with, and laugh with. He was always in an optimistic mood. In my early years of working with Roy, he provided a service to his fellow employees, of keeping a supply of canteen, that could be purchased, at a very resonable price. In my latter years of knowing him, we would bump into each other on occasion, at Garrett's Diner, or at the Osage Casino dinning area. We would shoot the breeze, and go on about our daily business. But that short amount of time visiting with him was pleasurable. I will miss Roy, and shall see him again some day. Thank you Roy, Walter Toon
