“ *Russell and my mother, Marie Martin, were first cousins. I got to know him when I was 18years old and began working for him in his apple orchard. I worked many times for that good man, I'll never forget how he would always call his dog coot bomper johnson and say he was a blue blooded republican! Russell kept his home and land pristine, and will never forget him or things that he taught me. Ever. Until we meet again, Russell.*
