joy in hosting holiday dinners, creating traditions and memories that will live on for generations. She especially loved two-stepping and square dancing with Bob and their friends. “ *Jan & Shelley ~ I was so very so sad to hear of Ruth's passing. I have so many wonderful memories of us working side by side at the bank. Only now, knowing more of her younger years, I understand why she was always so much help to me! She really was my loan department Rock. One main memory was Shelleys call every afternoon "Mama, we're home from school ". I hope you girls will take good care of yourselves. Beryl & I send our condolences and prayers 🙏*

“ *Dear Bob, the girls and all of Ruth's Family,*

I was saddened to hear of Ruth's passing. It has been an honor to care for her over the many years I had the privilege of knowing her.

Ruth was more than a patient to me — she was someone I truly valued and respected. I will always remember her strength, her spirit, and the trust she placed in those who cared for her. She faced life with grace, and she left a lasting impression on everyone who had the pleasure of knowing her.

Please know that my thoughts are with you during this difficult time. I hope you find comfort in the many memories you shared with her and in knowing how deeply she was cared for and appreciated.

*With sincere sympathy,
Mollie Bechtelheimer*
