“ Dear Kenna Lue,

I know it has been a very long time since you and I have seen one other. In my eyes you look the same as you did in your 20s. I have always been sorry that we did not live closer to KS and Ok, so that we would be able to see my Dad's side of the family. My Mom's Mom died before Mon married my Dad and my Mom's Dad died before she was born. My Mom never had any brothers and sisters. Therefore the only family I had were the Lowerys. Please know that I have thought of you often and that dear Donnie keeps me informed. I know how hard it is to lose your Mom, I still miss my Mom more than anything. She died the same year as your Dad. In fact Mom and I called to check on your Dad and talked to your Mom. Mom died that July.

I hope all is well with you and your family.

Love you,

Mary Lowery Waterman

“ Dear Kenna & George, Please accept my heartfelt condolences at Ruth's passing. I know the past few years have been a test in beliefs and personal strength; we all now know that there are things worse than death, which is nothing more than a transition from one imperfect earthly body to a perfect immortal soul. "We are but travelers in this universe. From sweet grass to packing house, we travel between eternities." Be at peace, Ruth; Ken is rejoicing to have you with him again. Kenna & George, be well and be blessed by all the happy memories of your wonderful parents.
