“ *Dear McWhorter Family,
Sabrina was a friend of mine at Bartlesville High School way back in 1996 and 1997. She and I ran cross country together. I always tried my best to keep up with her - she was such a great distance runner! I will always remember her kind nature, sweet demeanor, and positivity. She was a joy to be around and a truly great friend. I am deeply sorry you lost her so young. Your family will be in my thoughts and prayers.
With love,
Kyla Shofner*

“ Wink, I can't imagine how you must be feeling, but I can imagine how I would be feeling.

I never knew your daughter, but I knew you and I'm sure she was a fine woman.

Think back and you will remember who I am. Your dad coached both of us in baseball when we were kids.

“ Marty I know you will never totally understand "why"! Life seems so unfair during our times of loss. These are the times we remember all the things we did or did not do. Somehow God will strengthen you to make it thru this difficult time. You are loved by so many. I did not know your daughter but if she was anything at all like her mother she was a beautiful person!

“ *Prayers are with you. Only a parent who has lost a child can really understand such a loss. Four years ago, we lost our son, Dr. Richard D. Nunneley. The grief lessens over the years, but never goes away. Ed House at Stumpff's was wonderful to us and made it a little easier to accept such a sad thing.*
