“ Dean and family I'm so sorry for your loss. I will miss my old childhood friend when she calls to check on me or when we run into each other in Walmart and when she has to separate Dean and I in our kissing cousin act. I will miss our laughing about us and Kyla being diapered together and the birthday parties at my house.. I will miss you my old sweet friend, until we meet again.

“ Sandy and Gene, the similar sounding couple to "Sandy and Dean" from the BBB, send our heartfelt condolences to the Haberly family. Sandy and Dean are like a "sister and brother from different mothers" to us because of our similar sounding names. We will miss her dearly at the BBB reunions, but look forward to the day, maybe soon, when we all will be together again with our Glorious Savior forever and ever!

*Our birth is but a sleep and a forgetting:
The Soul that rises with us, our life's Star,
Hath had elsewhere its setting,
And cometh from afar:
Not in entire forgetfulness,
And not in utter nakedness,
But trailing clouds of glory do we come
From God, who is our home.*

I am so sorry to learn of Sandy's passing. I was just going through some pictures the other day of a Christmas party with Sandy, Dean and Matt. It was probably 38 or 39 years ago. We treasured your friendship. Sandy and Dean were the sweetest couple and I know family was so important to them. I know her family and friends, including my husband Jerry, who have gone before her, happily welcomed her to her heavenly home.
