“ *Sandy, I am so heartbroken to hear of your passing. I will continue to keep your family in my prayers. You were the kindest lady and had the sweetest spirit. I know you are enjoying your new body in heaven and that brings me so much comfort.*

“ *Sandy, I am so blessed to have been your daughter (in law) for the past 20 years! I put the in law in parentheses because you never made feel any less than your daughter! You had the most caring heart! I miss you so much and I am so sorry, you deserved so much more than what you received here on this earth! I take comfort in knowing that you are definitely in heaven and God will reward you with everything you deserve! I love you and will forever hold our talks in my heart ❤️ Love, Denise Pryce*
