

## Sandra Lou Still

June 27, 1936 - July 9, 2017

Sandra Lou Still passed away on Sunday, July 9, 2017 in Bartlesville, Oklahoma. She was born June 27, 1936 in St. Joseph, Missouri to Louis and Juanita (Ralston) Hrenchir and was raised in Olive, Oklahoma. She graduated from Olive High School.

Sandra attended secretarial school in Edmond, Oklahoma and began her career in Drumright, where she worked for L.E. Shanks Insurance. In January 1966, she met and married A.B. Still and together they operated A.B. Still Well-Service, an oil and gas wireline company, for over 40 years. They were married until A.B.'s passing in 2010 and raised three children.

Sandra loved the Drumright community. She served on the Drumright Hospital board of directors and sang with the Drumright Ensemble, but what she enjoyed most was working behind the scenes, quietly lending a helping hand wherever it was needed.

In the last year of her life, Sandra relocated from her home in Drumright to Tallgrass Estates, an independent living community in Bartlesville. She quickly became involved in the activities there and made numerous friends. True to her motherly nature, she was often spotted in the dining room helping other residents get to their seats, and was known for walking her neighbors back to their apartments to be sure they made it safely home.

Sandra was preceded in death by her parents, Louis and Juanita Hrenchir; her husband, A.B. Still; and sisters Betty Jo Carroll of Tulsa and Mary Ann Brower of Oklahoma City.

Sandra is survived by her three children: Debbie and her husband Randy Fitzsimmons of Copan, Oklahoma; Lynda and her husband Jeff Metz of Sagle, Idaho; and Sam and his wife Michele of Stillwater, Oklahoma. She is also survived by six grandchildren and one great granddaughter.

Arrangements have been entrusted to Stumpff Funeral Home in Bartlesville. Funeral services are scheduled for Saturday, July 15 at 10:00 a.m. at Oak Grove Baptist Church in Cushing. Interment will follow at Euchee Valley Memorial Park.

The family suggests that memorial contributions be made to the Drumright Fire Department or other local fire department, or to a charity of your choice.

“ *Dear Debbie, Linda, and Sam, I am so sorry for your loss. Sandra was quite the lady. Back in the 60s my mother babysat with Debbie. I was in high school and my mom let her watch cartoons in the afternoon. But when I got home she would not let me change it to American Bandstand . Sandra tried to tell her to share the tv but she never did. Sandra was missed around town for a long time but at least now we know she has sweet peace. Let not your hearts be troubled or completely broken. You will see here again.*

“ *Saundra (and AB) have been a part of my life since 1966. I was at Grandma Still's house when Auntie Janet called and told Grandma that AB got married. Grandma immediately called AB, and the next weekend he brought Saundra down to meet us. What a beautiful person to bring into our lives!*

*When I was in college, AB and Saundra's house was my "go to" many times. I remember going to a movie with Debbie. What a cutie! Sam was a baby and Lynda a toddler.*

*Then there were all those family picnics with watermelon and homemade ice cream and you had to sit on the ice cream bucket while my dad turned the handle for the last five minutes. I did have a towel sack in between me and the ice.*

*The women made food and Aunt Saundra always brought tabouli from the restaurant near Drumright.*

*The first Christmas by myself in Montana, Aunt Saundra sent me a huge poinsettia that I used for my Christmas tree.*

*Thank you Aunt Saundra for all the beauty and fun you brought into my life!*

“ To Debbie, Lynda, Sam and families. Your Mother was the most giving person I ever met. No one will ever know how many people in Drumright she helped over the years. She was a true friend to not only my Mother but myself as well. She will be missed by everyone she ever met, but will never be forgotten. It was an honor to call her a friend. My thoughts and prayers are with your families at this time of loss. Brad Cook

*There was no one like her. A friend for life and she was loved by all who knew her. A gift in my life she will always be. Love you all.*
