“ To Scott's family, it has been since 1986 that I have seen or spoken to Scott yet I was still saddened to hear of his passing. One of the beautiful things in life is not the amount of material things we accumulate but the friends and memories we collect during our life's journey. Scott was always a wonderful friend, classmate, band mate and fellow scout to me. The word is overused but Scott will always be remembered a very nice man. Be blessed to have experienced this treasure during your lifetime.

“ Linda and Jim...you and your family have been on our minds for quite a while now...guess God has his ways and means...this was not how we wanted to hear about any of you. We are so sorry for your loss...Scott's loving memories will sustain during this long walk. To loose a child at any age is so tragic. We learn to live with it and keep him alive in our hearts. Please know that if there is ever anything we can do for any of you we are here...Your loving friends...Jody and Jolene
