“ *Seferino was one of the best people I have ever met. Seferino is a person that really loved the Lord. He is a person that truly walked in faith and love. Seferino loved his family and was a friend that I would trust with anything or anyone. Seferino will truly be missed. To the family, know that Seferino is smiling down and cheering for the rest of us in Heaven.*

“ *My thoughts and prayers are with the Medina family. I met Sefe when we were partners as Medina-King Construction. I was privileged to spend time with his family and especially enjoyed meals at his mom’s house. Sefe loved his family and would always speak of them with love and praise. I hope good memories will give you comfort. God bless you all.*
