“ *I have known and loved Sharon for almost 20 years when my son Steve met, became engaged to and married her daughter Michele. I remember thinking how glad I was that she and Dennis were in my son's life and how grateful I was that they loved him as much as his father and I did. While I know she's no longer in pain, I hate that I won't be able to see her and visit with her anymore. Rest In Peace, Sharon. You will be missed so much.*

*Love,
Linda Barry*

“ *She was an amazing aunt, well actually felt like my sister. She was only 11yrs older than me. Sharon was the center of our family. We had most all of the family get together at her home. She was ALWAYS there when you needed her. She taught me so much. She was the first one I wanted to call when I had good news and even bad at times. The one you would call for advice or when you needed a pick me up she was there to help whatever your need was. I am gonna miss her sooo very much!!!!!! RIP until we meet again. I love you!!!!*

Sharon was my 2nd childhood mom..She was so nice funny and loving! I rarely saw her get mad but boy would she point that finger and call you by your middle name! She would take Michele, me,Anthony and Jimmy to the Tuesday \$1 night movie..always involved with mikes baseball concession stand . She always a smile and a hug with her. And ask Lincoln if you put your finger in a wedding cake ! Lol we were all blessed knowing her and she will be missed by us all. Lots of love hugs and prayers of peace to the Rogers family
