Shawn was my dad's friend. I remember being young and going to the archery range and fishing with them. He was always happy, willing to teach me things and had such patience. I will always remember him.

“ Shawn was such a good man. I really loved that guy. We had some great days hunting, fishing and working together. I enjoyed watching him grow as a Christian and I know he will be missed by everyone who knew him. Enjoy the Glory of His presence my friend, until we meet again.
