

Shelly Nicole Kerr

November 29, 1984 - December 29, 2017

Shelly Nicole Kerr, known to her family as Bubs, died Friday December 29th, 2017 at St. John's Hospital in Tulsa after a battle with cancer. She was born November 29th, 1984 in Bartlesville Oklahoma to Denise and Larry McPhillips. Shelly grew up in Bartlesville and excelled in school and sports. She graduated from Bartlesville High School in 2003 and went on to pursue a higher education at Oklahoma State University. Shelly graduated with a BS in 2007 and then went on to pursue her lifelong dream of becoming a veterinarian. 2008 was a big year for Shelly. That year she not only married the love of her life, Brandon Kerr, but she also entered the Oklahoma State University Center for Veterinary Health Sciences. The couple made their life in Stillwater, OK and had many friends. After graduating in 2012, she and Brandon moved back to their hometown of Bartlesville and began making their new life together.

Shelly began working for Manley Animal Hospital in 2012, where she continued to work until she was unable. She and Brandon had one beautiful son, Cooper, in October of 2015. Shelly loved fishing, hiking, camping, puzzles, going to the movies, and doing crafts with the children in her life. Unfortunately, a few months after giving birth, she was diagnosed with stage IV breast cancer. This would be a tough battle of two years, which she fought bravely. Cancer ultimately claimed her life but her life was not defined by this disease. Shelly had such an appreciation and zeal for life which she lived fully and abundantly. This is what we are celebrating. To know Shelly is to love her.

She was preceded in death by two grandfathers and one grandmother. She is survived by her husband Brandon, son Cooper, daughter Ashlynn, mother Denise, father Larry, sister Andi, brother David, Mother-in-law Mara, Father-in-law Stan, grandmother Mariella Gibbs, and numerous other loved ones and friends.

“ We did not get the privilege of knowing Shelly, however, my granddaughter loved her so much. Shelly was a great role model for Ashlynn and she enjoyed every moment she had with her. She talked of the visits with her to work and how much fun she had with her. I'm praying for the family as you carry on and that Jesus will heal your hearts. May God Carry y'all through these hardest of days ahead.

Our deepest condolences

“ You will forever be my senior sidekick... just us two! I am glad I truly knew Shelly’s heart and the kind sweet soul she had. She was one of a kind and yes, to know her was to love her. My heart is broken but I will try to be more like the type of person she was so her legacy can live on through love, kindness and compassion for others. Love you buddy 🌸🌺🌹

“ I used to work with Dr Kerr at Manley Animal Hospital, she was a lot of fun to work with. Always had a good attitude even when feeling pressured, was a very kind patient person. I enjoyed our talks while in surgery she was interesting to talk to, she has a beautiful face and mind which I admired. I know she is walking with Jesus and having interesting conversations with Him, looking forward to the day we all get to be together again. My heart and love go out to Brandon and Cooper and the rest of her family. I can't imagine what you all are going through, but I pray that God will give you peace and help you remember only the good things, the good times together. He will love and guide you through this if you let Him.
