“ *I was so shocked and saddened to hear of Sheri passing. I've never had the opportunity to meet Sheri in person; however I have worked with her for many years. Sheri has always been my go to person for anything related to expense reports. Always so helpful. I had just talked to her about her retirement and how excited she was. ☐ My heart goes out to her family and close friends. I am truly sorry for your loss.*

“ *I am very sad to hear of Sheri's passing. I haven't seen her in many years, but every memory of her is a great one. Best of all was getting to spend time with her during the trips Jase's baseball games took us on, like Ada and Dallas. She was always smiling, during good times and even during the bad times.*

*My heart hurts for you Jase -- Stay strong, like your mom.*

*Sending prayers to Jase, Tim, Jared and to all her family & friends.*

“ What an amazing lady. Truly a heartbreaking loss. She always had such a big heart and so quick with a kind word. Her love of her family always clearly apparent.  
When we moved to Bartlesville years ago, she was so kind to make us feel welcome, always lend a recommendation for anything and quickly include a stranger as a Friend.  
Our hearts go out to you all. She will be missed terribly. ❤️

“ I have had the pleasure of meeting Sheri at a bank conference in Dallas and immediately she and I buddied up with others and had a blast for the length of the conference. I sat down next to her at a lunch and from there it was like I knew this vibrant person my whole life. I pass along my deepest sympathy and condolences to all her family and close friends. If I feel saddened for such a short period of time I was with her I can't imagine how you all must feel. My thoughts and prayers are with you all. Fondly, Sheila, Greenwich, CT

“ Sheri had such a beautiful spirit in her. She was a friend, a truly gifted athlete, particularly in softball, & someone who was always committed to something & certainly dedicated to her family. The world grew a little darker when she departed. May her family & friends find comfort in the Spirit of the Risen One! Rest in peace, Sheri!

“ I am very saddened by the news of Sheri's passing. I didn't know her well, but have worked with her long distance for many years. She was one of the most knowledgeable, helpful individuals I have encountered in my 30+ years working. We will all miss our "go to" person on all things related to corporate credit cards. Deepest sympathy to her family and many friends from a co-worker at Ferndale.

“ I know she is up in Heaven looking down on us and not wanting us to be sad. This is so hard because we all loved her so much and weren't ready for her to go yet. I know I will see her again there. This is our temporary home and Heaven is our permanent home. I will treasure the memories of the many years we spent together organizing and working at the United Way golf tournament.....her imitating a funny person, driving the golf cart or a certain sound or look she would give to me that made me laugh until I couldn't talk. Prayers for Tim, Jase, Jared, Shawnda and rest of family that God's love will help them heal from this.

“ I had the pleasure of working with Sheri just about everyday for the past 5 years. I am so blessed that our paths crossed. We would figure out so many T&E problems together. Usually her figuring it out but giving me the credit because that is how she was. Humble and kind. She loved her boys and her husband so much. To know her was to love her and I will miss her so much.
