“ Sherril was one of the first people who welcomed me aboard Phillips when I joined the company December 1973. A wonderful man who always would support, spoof and tease me to the point that he became one of my favorite people / personalities in the Phillips family. Most importantly he was a mentor to me who was always there to guide me and help me grow as an employee and grow as a young man. Every time I saw Sherril I was excited and he would put a smile on my face just because he was present. We have lost a wonderful man in all of our lives but he will remain with me the rest of my life. God bless Sherril Lee Snider. I am so sorry for the loss to the family and everyone who had the gift of knowing him. Rest in Peace!
