“ I am so sorry for your loss. I met Shirley 3 years ago at YMCA in the swim class. We always chatted in the locker room. She was such a sweet person and loved to tell us about her kids and grandkids. She also talked about her garden and how much she enjoyed working in it. She will be missed at the pool. She always had a smile for everyone.

Thank you, Debbie. Mom loved her time at the Y, especially in the swim class.

“ I enjoyed seeing Shirley and working out at the Y with her for many years. I will miss seeing her smiling face coming in the doors.

“ Shirley was always happy to see me and always greeted with a smile. Just last summer, I came by one afternoon, I was hot, frustrated at our baler. Howard had wondered off she didn't know where he went. But she said I looked hot and asked me in. She gave me some water, and buddy and Shirley and I talked awhile. Kind of a bright spot on not so good of day.
