“ Connor and Family,
So sorry this has happened, I know it hurts. Remembering all the happy memories will get you through this hard time. Although, we didn't know Shirley that well, we do remember her smiles and laughter when we met her at the restaurant.

“ Belinda, My heart breaks for you and your family. Your mom was such a neat lady. I ran into her often these past few years and she never hesitated to stop and talk to me, asking about my mom and my family. And of course talking about you and your family. I pray you find strength and comfort during this time. Thinking of you, she will be missed by many.
