“ My mother, Barbara, aka Bobby, Miller Graham was a class mate of Dean who she always spoke highly of. Dean & mother worked for many years on their class reunion; the two of them endeavored to open the all class reunione earlier than 50 years after graduation. Dean was a true gentleman extremely well liked by all. Dana was a classmate of mine; Karen was a classmate of my sister Deborah, class of 1967.... Dean will be missed.

“ Dean was one of the best men I ever knew, he told me a lot of stories and shared pictures of my dad and uncle with him and Phil Spraug when they were all young. Swimming at the quarry, must of been his favorite one . I pray for the family that long lives are blessed with.

I treasure the many years we lived as neighbors and all the nights we played domino's. We loved them both so much. Now they, once again, will be joined together in eternity. Thank you Matt and Rose for taking such good care of him. We love you both and will be praying for you during this season life.
