

## Stephen Patrick Landrum

April 23, 1961 - July 16, 2023

Stephen Patrick Landrum was born on April 23, 1961, in Nowata Oklahoma to Jackson W. Landrum Sr. and Ruth Marie Landrum (Hunt). He was raised in Nowata and attended Nowata Public schools. In 1980, he graduated from Nowata High School, and on his 22nd birthday, he was blessed with his only child, Stephanie known as bird.

Shortly after, he met his life-long partner, Pam Landrum (Shipley) and took in her daughters Kimberly Bowman (Henry) and Mickey Barnes (Henry) as his own. Steve and Pam eventually wed on March 8, 2011, and spent many years together.

Steve worked for the City of Nowata for many years and eventually retired from the county. He later moved to Lightening Creek, where he hosted family and friends, raised cattle and found his passion for creativity. Steve was extremely passionate about his dart golf invention. He always took pride in all of his work and showed up as his true authentic self, which meant you were guaranteed a few jokes and laughs! Steve loved to be the "life of the party" and believed in enjoying life. He enjoyed being around family and friends, hanging with his best bud Jason Cox, listening to music, planning parties and events, attending auctions and spending time outdoors. He had many nicknames including Steve, Stevie, Paw, Stevo, and Unc, but he was proudest of being called Papa Stevie.

Steve is preceded in death by his mother Ruth Marie Landrum (Hunt), his sister Ida Marie, twin brother Myron Patrick, big brother Clarence Dee

Landrum, and his grandmother Ida Marie "Nanny" Williams (Lonian). He leaves to cherish his memory, his father Jackson Wallace Landrum Sr.; his brother Jackson W. "June" Landrum Jr. and sister-in-law Kathy of Tulsa; his daughter Stephanie Renae James and son-in-law Haywood (Chicco) of Edmond; six grandchildren; Shacari, Haywood (Bobo), and Hayddon Landrum- James of Edmond; Mercedes, Tarrell, and Sage Collins of Nowata; five great-grandchildren and one on the way, Bryson and Kennedy Hooks of Edmond; Brayton, McKinley, and Zayden Roberts of Nowata; baby Collins of Bartlesville and a host of nieces, nephews, cousins and friends.

“ Hi Dad! It's been 2 years since you've left this earth. It feels like it just happened. I miss you so bad!! This world sucks without you in it. Just knowing that I could call you or visit anytime was all I ever needed and I'm sorry for taking advantage of our time. If I could get back just one day with you, I would spend the entire 24hrs with you, I would hug you so tight, and just let you know how much I love you. RiP Dad can't wait to see you again.

“ I miss you dad! It's been over a year since I watched you take your last breaths. I can still feel the touch of you squeezing my leg so hard. Every day I wish it was me instead of you... I hate it here and I hate your family. I hate your dad, your brother, I hate that \*\*\*\*\* pam and that \*\*\*\*\* kathy. I see why you didn't fool with them much. They're a bunch of selfish \*\*\*\*\* , who ONLY care about themselves and their kids. I know if you were still here things wouldn't even be going the way they are right now but it's okay. Cuz if pam thinks she's going to enjoy OUR property peacefully, after she ABANDONED YOU while you were fighting for your life, she has another thing coming... but like I said it's OKAY. It's been hard for me to even come that way because a part of me still thinks you're at home chilling, and the other part of me will get it in and catch a case(s). But I will visit you soon, and when I do (sooner than later) MFs better move out of my way fosho, and everything better be the same. They don't know me that well dad, at all lol I'm quiet because I observe but they're taking my kindness for weakness, that's all I have to say on that. I just really hate them they don't even care that you're gone. Please visit me soon and take me with you. I love you dad more than anybody. RiP. until we meet again birthday twin...

“ This is NOT the obituary that I wrote!! I'm disappointed that the funeral home edit it and made changes without my permission, because the wording didn't sit well with others... I specifically stated that Pam and my dad spent many years together, until their unfortunate separation in the summer of 2021... because that's exactly when she abandoned him! Right after he found out he was sick... a grieving widow, I think not.  
Man Dad, why did you leave me here with all these fake a\*\* people!!! I wish you were here everyday. I know people wouldn't be acting the way they are if you were here... and that \*\*\*\*\* definitely wouldn't be living in yo house right now!!! But no worries. Until we meet again xoxoxo

“ My name is Donita P Cunningham/Smith and In the summer of 1976 I came to live with the Landrum family. All my life I called Aunt Ruthie and Uncle Jackson my aunt and uncle. I didn't know that they were not my family until I was an adult and found out that my mother and Aunt Ruthie were just play sisters! My mother had passed away in 1975 and aunt Ruthie and uncle Jack invited me down to get away from Kansas City. I remember Stevie was a little (chunky butter) back then and he always wanted to hang with me and Clarence. When my car moved he wanted to be in it. I miss Stevie and will remember him as a little brother or as a cousin that he always wanted to be around me. Love you Stevie, rest in peace my brother/cousin.

“ It's been years since I seen Steve. Last time seen him, I was a youngster. But I remember him always being around as a kid and throughout my early teenage years. He would joke around with me and my cousins Jamal and Wade. We always were at Ms. Ruth's banging on the piano and eating candy corn. Sending my deepest condolences and love to the family.

“ My fondest memories of Stevie as we called him was of playing baseball and football in the field next to his house as youngsters. We broke a few windows on there house. Over the years we did not see one another a lot but when we did it was as if no time had passed and we were enjoying a good conversation and catching up. You will be sorely missed cousin. To Mr. Jack and Jackson and all of Stevie's family I send my prayers and condolences. RIP my friend.

“ From hanging out on the bridge to playing in the forest behind my grandparents house. Stevie you was so much fun to be around. I can hear you saying “Frank”. That was my nickname my dad gave me and you and your brothers always called me that instead of my birth name. We were family because of Uncle Bubba and Aunt Ida. Rest on up no more pain. God be with the family in this difficult time. Prayers going out to you all
