“ *Those we hold closest never leave us, they live on in the kindness they've shared and the love they brought into our lives.*

“ *Judy, April and Nick,*

So sorry to have heard of Steve's passing. You guys were great neighbors and friends. We've often recalled the kindness you showed us when you cared for Carolyn when she was pregnant.

I know you know this but now is why it was written: Brothers and sisters, we do not want you to be uninformed about those who sleep in death, so that you do not grieve like the rest of mankind, who have no hope.

“ Judy and family, my thoughts and prayers are with you during this time of sorrow. I worked at Reda Pump with Steve and always enjoyed talking with him. I believe the last time I saw both of you were when you visited the Dewey Methodist Church and we talked with both of you at that time.

May God hold you close at this time.

“ It is with saddened hearts that we received the news of Steve's passing.

To Judy, though we are miles away from you again, Katia in Brazil right now, myself in Thailand, we want you to know that our thoughts and prayers are for you and your family at this time of loss.

In various locations and times past, Steve was my coworker, my boss and always a mentor and a friend.

He was always good for sage advice, for humerous anecdotes and in offering his time.

He will always be fondly remembered by us.

God Bless

“ *Very sorry to hear of Steve's death. I worked with Steve at Reda, we worked in Kuwait together. Steve was a good friend.*

Eternal rest, grant unto him O Lord and let perpetual light shine upon him.

May his soul and the souls of all the faithful departed,

through the mercy of God, rest in peace.

Amen.
