“ *I was married to this sweet, wonderful stinker of a man for over 17 years. We did everything together from watching OU football & softball, hunting quail, fishing, burning pastures and shooting beaver on the pond at the Whitmire Ranch. (Boy that was a blast!) Steve loved life but most of all he loved his family. We divorced for a while but I am so glad the we got back together, I miss him terribly but I know I will see him again one day.*

“ This world for sure lost a wonderful man. He was an amazing grandpa and great grandpa! We shared the love of softball together and always talked game. There wasn't a visit that went by that we didn't compare stats or talk about our favorite players. He would always tell his Meatball (kaydence) that he was going to be watching her on the big screen one day and she will sure live up to that! We love you big Papa Steve and will miss you always.

“ Words that come to mind when I am talking about my Dad are, hard working, strong willed, responsible, dedicated, these are adjectives that reflect his character. What people didn't see much of was my Dad was a family man, he didn't always have the words I love you, or I am proud of you, BUT you knew! He loved his grandkids and his great grandkids very very much, and I am very grateful he spent so much time with them the last three years. Dad was always teasing or picking on someone, he was funny and said the most off the wall things sometimes. I am proud of the man he is, I am blessed to have been with him the last three years everyday, and mostly I am grateful he lives on all around me!
