“ *We are thinking of Stuart's family and hope for the best in this difficult time.*

Stuart was a best friend in high school. What a sweet guy, always willing to do anything for a person. Stuart was a good football player and for a big man moved well and was quick on his feet. We played tennis together and I was always in awe of how he could chase down balls. He supported me so well in my baseball playing days. His sense of humor was second to none. He was so witty and could make you laugh whenever you needed consoling or even when you didn't. He was just a great all-around person, so fun to be around.. He will be missed, but such great memories will live forever.
