“ *Susan was a very kind & caring person. Also the best conversationalist, friend & car lover! Many good memories of double dates with Sheryl in high school & during our college years. Susan was a main cog on the majority of the Dewey Class of 1982 reunions. Always at ease in times of crisis she could be counted on to provide the proper perspective & smooth out the wrinkles. We will miss her quick sense of humor & the old car conversations. Sincere condolences to the family. Rest in peace Bulldogger. Tim & Sheryl Dyer*
