

## Susan Joan Walker

July 31, 1957 - April 13, 2018

Susan Joan Walker, 60, got a head start on the eternal celebration April 13, 2018. She spent her last week at home surrounded by the love and care of her

family and very close friends in Bartlesville OK.

She was born July 31, 1957 in Santa Paula, CA. After a romance that began at

Filmore High School in CA, Susan married her best friend Geno Walker. After 42

years Geno still confesses she was the best wife a guy could have.

She was an incredibly devoted mother of 4 children, Amy Wivel and husband Aaron, Becke Rakes and husband Travis, Daniel Walker and wife Camille, and

Shelby Willson and husband Kyle. She had 9 beautiful grandchildren, Hannah,

Gabe, Paige, Rylee, Oliver, Finn, Killian, Tobin and August. She is also survived

by her mother Janet Ming and stepfather Garlon Ming.

Susan loved the Lord, worshipping and praying daily. She loved working as a floral designer for Flowerland and had many other hobbies including sewing, writing, having her grandkids sleepover and of course, shopping.

The Family would like to thank Dr, Lajara-Nanson, the nurses of the 5th floor at

Jane Phillips Hospital as well as the amazing nurses from Grace Hospice.

“ *She truly was the "SWEETEST" person I have ever met. She always encouraged and was so gracious! Her gain is definitely our loss. I loved her tremendously! Cant wait to spend forever and ever with her and her wonderful smile! So much Love to each and all of you! She is already missed!*

*I am at a loss of words, I am so sorry. Please know that the five of you and her grandchildren were her pride and joy. Everyday she would beam when she talked about you all and it was evident that her family and God were the center of her universe. Adoration and unconditional love oozed from her soul when the topic of her family came up, which was often because she was so proud of all of you! She meant so much to me as she and I often prayed for each other. In fact, one time specifically, I had returned to work after I had missed a few weeks due to my kids being in the hospital from a car accident. I was at my desk working away and an ambulance drove by with sirens on. My body froze and tears rolled down my cheeks. Susan couldn't see my face, but she knew...because she was always so intuitive to others' needs. She came into my office and shut the door, she wrapped her arms around me and she prayed over me. I will never forget her love for Jesus and her love for people. She was an incredible woman. We will continue to keep all of you in our hearts and prayers during this very difficult time. We will miss her so much.*
