“ *We were so very blessed to have Granny Susie in our lives and she will be dearly missed. She took amazing care of my daughter, Ashley Nicole (Slack) Kohlhepp about 28 years ago and she made an amazing impact on not only her but me as well. She was like a second mother to me and I loved her for that and we stayed in touch over the years, which I am thankful for. I always knew my daughter was safe with her and I will never forget Sam teaching Ashley the meaning of HOT and not to touch knives. Our prayers go out to your family and friends during this time of loss.*

*Sincerely,
Nicki Everhart and Ashley Kohlhepp*
