“ *We really got acquainted this last March when you, Rick, Fred and myself made the famous trip to California. You kept us in chocolate and all kinds of treats plus you were an A 1 nurse to me all the way to Sacramento.. We were lucky to have the back seat all to our selves. My favorite memory is when I got in this fabulous shower at John and Deb's. All kind of handles and knobs and ONE push button. I just had to try the button after my wonderful shower. Immediately the room was FULL of steam and I was so excited and enjoying it when the door was flung open and there you stood yelling "Where are you? are you alright?" After we got the steam turned off and me dried in one of the big fluffy towels we looked at each other and started to laugh. So Funny, We so enjoyed this beautiful mansion here on earth but I know that today you are enjoying a beautiful mansion beyond description. Til We Meet Again. Myrna*

“ There aren't enough words to describe what kind of person Talona was. She was the most caring, thoughtful, funny, smart, and decent person I have ever known. She helped so many people, whether they needed it or not, and whether they deserved it or not. That was just who she was. She will be forever missed in so many peoples hearts and lives.

Rick - lots of hugs and prayers for you and the family. Know that you are loved, just as much as we all loved Talona. My heart is completely broken just thinking about her being gone.

Rest in Peace Talona Bob!!! I love you!!!

“ I sure didn't know when we were eating marshmallows at Fred's that it would be our last goodbye. We were going to have a fish fry so I could come. I'll miss you.

Rick, I'm sorry. I will be thinking of you and the family. Take care and know you are loved.

RIP Talona

“ Talona was a wonderful grandma to the twins and Makayla but also to my oldest 2 Lane and Emily. I am so grateful she was apart if my life the last 7 years. I will miss her being here in our lives. I loved her more than I think even she knew. My love and prayers go out to all of her family and friends.

I have known the Hindman Family since I was very young. I was very close with Rosonna's in school. Talonna was a one of a kind as are each of the Hindman clan. I love them all deeply and am very sorry for everyone's loss. I grieve with you and know that no matter what all you older kids did to us growing up. Your sweet mom was always there to grab a house shoe. I love her dearly as my mom and her were very close during our dad's hunting days. I miss it all. Lots of love. Stacie (Carter) Tevebaugh
