I've known Rokay since elementary school. His brother, Dean, was in my class in Woodward. I was also on his bowling team for several years until he moved to Bartlesville. I'd give him a hard time when we would bowl in Wichita because he would be listed as Terrance. Who in the world is Terrance. He was a great team mate and bowled in two or three leagues in Woodward. I believed him to be a very kind soul and we will miss him. I hope there are lots of great bowling lanes in heaven.
